

PUREPRO® DEODORIZERS

Odor Out Spray and Odor Absorbant Powder #61-520, 61-620

Fuel Odor Neutralizer/Remover

Available in 16 oz. spray & 1 lb. powder

Cherry scented Odor Out comes in spray and powder form. Can be used in air conditioning filters, window units, central units and automobiles for a breath of fresh, sweet air.

- | Neutralizes fuel odors resulting from oil spills
- | Stops odor
- | Absorbs oil
- | Use in heating and air conditioning ducts
- | Refreshes the air

Cherry, Mint or Orange Blast #61-621, #61-630, #61-625

Heavy Duty Deodorant Gel Cup

Available in 8 oz. container

Heavy duty, long lasting fuel oil deodorizer. Good for all types of deodorizing problems — just flip up cap or unscrew lid for desired effect. Great for oil spills in enclosed spaces, service trucks, homes, offices, cars, boats, R.V.'s and basements. Cherry, Mint or Orange Blast will eliminate the foul odor and replace it with a sweet scent.

- | Pleasant scent
- | Long-lasting, self-dissolving gel
- | Biodegradable
- | Environmentally friendly
