

PUREPRO® DEGREASERS

Grease Gone

#56-130

Heavy Duty Degreaser

Available in 16oz.

Grease Gone is unmatched in its ability to liquefy and lift greasy grime to allow it to be wiped away easily. It cuts through greasy build-up fast and works well on hundreds of applications where heavy oils, grease and grime removal is required. For use on all industrial and farm mechanical parts, tools, machinery, engines, fuel oil related components, bicycles, refrigeration parts and much more. Safe on all hard surfaces.

- | Biodegradable, phosphate free
- | Liquefies grease, carbon, dirt and more for easy clean up
- | Fast and effective
- | Good for hundreds of industrial and household jobs
- | Will not give "hot" readings in waste oil
